Writ Petition No. 2234 (M/S) of 2001.

Narendra Kumar and others …… Petitioners

Versus

State of Uttaranchal and others …….Respondents.

Hon'ble P.C. Verma, J.

There are ten persons in this writ petition. All the petitioners have a common grievance against the District Magistrate, Udham Singh Nagar, that he has not disposed of their applications relating to grant of Arm licence and they did not her anything regarding either rejection of their applications or grant of licence. They are going to the office of District Magistrate daily but they are not being informed about the action taken by the District Magistrate on their applications. It is settled law that no one has a fundamental right to get Arms. It is a privilege granted only in the form of licence but if application is moved then it is the duty of the District Magistrate to dispose of the application in accordance with the provisions of Arms Act and Rules framed there under, therefore, the petition is disposed of with the direction to the District Magistrate to take decision on the applications of the petitioners within one month from the date of production of certified copy of this order in accordance with the law.
